

WORLD ENVIRONMENT DAY

GO WILD FOR LIFE

WORLD ENVIRONMENT DAY 2016

5 JUNE

is being celebrated by

ENVIS Centre on Combating Desertification

[Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India]

at

ICAR-Central Arid Zone Research Institute (CAZRI), Jodhpur, Rajasthan

Starting from 04th of June, 2016

The illegal trading in wildlife products is resulting into the disappearance of Earth's precious biodiversity. The indiscriminate killing and smuggling by undermining economies and ecosystems as well triggering this heinous crime as an organized one. 2016 theme for WED – **Go Wild for Life** – encourages all of us to celebrate this day by remembering and analyzing the status of all those species under threat and take an oath to have all out action on our own to safeguard this biodiversity of immense importance (being an heritage of the civilization as well) for future generations.

Organizer/Organization's name: Dr. O.P.Yadav (Director:ICAR-CAZRI) and Dr. Suresh Kumar (Principal Investigator), Dr. R.S.Tripathi, Dr. Dipankar Saha and Tirth Das (Members) of ENVIS Centre on Combating Desertification of Indian Council of Agricultural Research (ICAR)-Central Arid Zone Research Institute (CAZRI), Jodhpur-342 003, Rajasthan, India

Celebration title, time and place: *“Recapitulating Wild Life of Indian Desert-Conservation for Future Generation”*, Dates: 04th June, 2016: Popular Lecture (Time: 03:00 pm-IST): Place: Conference Hall of ICAR-CAZRI, Jodhpur-342 003, Rajasthan, India); 09th June, 2016: “Env-Walk” (Time: 08.00 am to 10.30 am-IST): Place: Machia Biological Park, Rajasthan and Essay competition amongst school students of Jodhpur (Time: 11.00 am to 12.00 noon): Place: Dr. Raheja Library, ICAR-CAZRI, Jodhpur, Rajasthan

ICAR-CAZRI being a Centre of Excellence in the Research and Development of Indian Arid Zones is going to celebrate World Environment Day-2016 starting from 04th June, 2016. There will be **lead popular lecture on “ Wildlife-Threats and Conservation” by Dr. G.S. Bhardwaj, Chief Conservator of Forests (Wildlife), Jodhpur, Rajasthan.** The primary objective of the event is to sensitize people on wild life conservation and protection with reference to Indian desert region. Wildlife being the integral component of civilization, its very important and equally critical to move ahead with conviction to address its conservation and protection issues when world wide illegal trade is booming and we are loosing these precious biological heritage for ever.

Sponsored by: ENVIS Centre on Combating Desertification (MoEFCC-GOI) of ICAR-CAZRI, Jodhpur, Rajasthan
